

Alaskan Sled Dog & Racing Association
Tozier Track Protocol
2010

All users of the Tozier Track are expected to comply with the following:

- Handle all dogs in a humane manner. ASDRA will not tolerate ANY physical abuse or inhumane treatment of animals.
- Abide by ALL Municipality of Anchorage animal ordinances.
- All dogs must be current on rabies vaccinations as required by State and Municipal laws.
- ASDRA strongly encourages that all dogs be immunized against parvovirus and distemper annually.
- Do NOT run any dog(s) that show physical signs of injury.
- Do keep dogs with infectious/contagious diseases away from Tozier Track (i.e. Parvovirus, Distemper, Kennel Cough, etc.)
- No overnight camping at Tozier track is allowed without the prior approval of the ASDRA Board or their official representative.
- No skis or bicycles are allowed on the groomed dog trails.

All track users agree to:

- Maintain the holding area in a sanitary condition including the removal of all fecal matter. A dumpster is provided for your convenience.
- Physically restrain each dog(s) at all times by leash/chain or in the user's vehicle.
- Maintain the premises and dogs in such a manner that they do not constitute a nuisance to owners and occupiers of neighboring property.
- Avoid riding the sled brake. The dragging of tires is not permitted.
- Follow trail courtesy whenever passing.
- Avoid tying any chains to the posts in the holding area.
- NO dogs are to be left at Tozier Track unattended.
- Complaints against track users are to be submitted to the ASDRA Board within 24 hours of alleged violation. Include the following information:
 - Your name, address and telephone number.
 - Violators name, vehicle license number and general description.
 - Alleged violation (be specific) and include date and time of incident.
 - Note additional witness's names and telephone numbers.

ANY VIOLATOR IS SUBJECT TO REVIEW BY ASDRA BOARD MEMBERS. FAILURE TO COMPLY COULD RESULT IN LOSS OF TRACK PRIVILEGE
